*The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used to general nutrition advice.

Our La Chona Quesadilla Cheese is a mature cheese and the best Mexican cheese for melting. It is a necessity for traditional and modern Mexican-style dishes like fondue and quesadilla.

Its consistency and flavor make it an excellent cheese to snack on and it's an ideal option for restaurants preparing Mexican dishes. With our shredded presentation, this product is great for topping off dishes like salads, tacos, enchiladas, soups, and tostadas.
