

LAF SHREDDED QUESADILLA 12/16 OZ

Queso Quesadilla is a semi-soft, slightly aged, creamy cheese that delivers a seductive buttery texture, slight tart flavor, and subtle buttery note. This shredded presentation makes its succulent melting properties conveniently ready to use.

There is an obvious reason in the name, melting this succulent shredded cheese in quesadillas is as good as it gets. Try it in burritos, enchiladas, or any recipe that calls for a sprinkle of shredded melting cheese.

The extraordinary freshness of Los Altos cheeses and creams is the result of our natural ingredients and our unique process that shortens the time and distance from the dairy to our customer's table.
